Message:

In reference to the Texas Legislature 2021 Redistricting process.

After reviewing the redistricting maps and studying the boundaries, and data provided, I feel this is negatively impacting our community, please let the State know. At the very least, most of our area specifically where I live in Montgomery County, District 4. our area is being lumped into Harris County which will dilute our Red vote.

I'm very against this, and feel it is not a fair process.

Respectfully,
Daphney Skelton
