Message:

I was born and raised on a farm. My entire family is in the farming business. I live in a large metropolitan area. My concerns are totally unrelated to their issues. I care about property taxes, homelessness, crime, congestion, zoning, bicycle lanes, libraries 911 response time, unleashed pet, red light traffic speeders, texters, panhandlers, and urban noise and light pollution. I am concerned about air pollution, climate change, recycling issues.

This is NOT a priority of rural and small town Texans.

To lump North Dallas with agricultural districts is like trying to mix oil and water, night and day.

IT DOES NOT work.

This redistricting is a blatant example of partisan politics and I am very exhausted with FORMWER president Trump jerking Republican Texans around. Put on your big boy pants and DO WHAT is HONORABLE DECENT and HUMANE.

Elizabeth Small
