Message:

Cannot believe that the redistricting committee is trying to split Montgomery county into 3 different zones...

Lake Conroe and Montgomery County are a viable force and support the area businesses in this area...It is a humogenous area of like-minded voters and businesses... And it works..Why screw this up?

Obviously, the redistricting committee is trying to dilute this strong voter base and split it up...

Reminds me of the ways that "VERY CONSERVATIVE" members need to try to stay in power!!!

And it reeks of power politics....I know, I grew up in Chicago under " Mayor Daly" and watched " ward politics" dictate where the parks were going, street improvements, etc...It's the SAME OLD thing!!

BS
