Phone: [REDACTED]

Affirm public info: I agree

Regarding: ALL

Message:

I honestly think Texas Government has lost it's mind. It seems as if the population of Texas is under assault. Talk about controlling people, stomping on their rights as citizens, restricting and regulating so many aspects of their lives...

Every member of the Texas legislature that has allowed this extreme right, anti-woman, anti-minority, anti-anyone who believes differently that the far right agenda they are implementing should be ashamed.
