Affirm public info: I agree

Regarding: Senate

Message:

I am disturbed by the partisan power grab that fails to accurately reflect the 2020 Census data showing 95 percent of Texas' population growth came from people of color and was centered in urban and suburban communities.

Texas was built by strong willed people who expect representation by their government. I ask that you ensure the voting district maps be drawn with reason as the best and most supported decisions come from a majority.

Thank you,

[REDACTED]
