Message:

I object to the gerrymandering of the anti-democratic Republican party. This attempt to make it more difficult for people of color to vote is as racist as the jim crow filibuster. We want fair elections without the threat of white supremacists intimidating voters, which this failed governor Gregg Abbot signed into law.

We want to move forward and acknowledge the rights of all voters in Texas. We will protect our Democracy and our Constitution from foreign or domestic enemies, which currently is the entire GOP.

Sincerely,
Concerned Citizen

Karla Robinson
