Message:

Burnet County and the Highland Lakes are a community of interest that work together especially in times of crisis.

We do not want a political division in our small, rural Central Texas county.

This community should stay intact

This is a community that works together; A division would be a major disruption in our community and for achieving goals for the future.

I respectfully ask you to reconsider dividing Burnet County and keep our county together as one active and political community.

Kathy Hussey
