Message:

It is fair and just that  
redistricting maps be drawn  
in such a way that WILL work  
for ALL of the people of  
Texas wherever they may live  
and NOT whoever may be  
running for that district  
seat.

It is time maps be drawn  
by a committee chosen by  
persons that are NOT  
associated with state  
government OR maps should be  
computer generated by  
companies NOT associated  
with Texas government.

Bottom line= MAPS need to be  
fairly drawn so that  
constituents elect who they  
want and NOT be drawn for a  
particular person.
