Message:

Greetings to all Public Servants and members of the public.

It is an impossibility to separate Ft. Bliss, TX from Congressional District 16.

Nearly 50,000 Veterans live in District 16. I'm not sure of the number active personnel but I can tell you that in 79934 nearly everyone is in the military or associated with the military. My neighbors to the left the right and front and back are all military stationed at Ft. Bliss.

I myself was born here in EL Paso at the old WBAMC.

A portion of the Franklin Mountains which splits El Paso consists of Ft. Bliss, TX.

In reality the population of El Paso has remained stagnant therefore it is not even necessary to draw or move the boundary lines for District 16.

I have not heard one valid argument or reason to remove Ft. Bliss from District 16.

I request a 60 day delay for the this to be brought to the attention of the El Paso community.

I need time for Veterans to hear and know about this.

It is not good for anyone. Purely political.

This is strictly a partisan play. I'm a registered Republican and I can tell you that this is wrong.

You will hear loud and clear how we will not let this stand.

God Bless,

Patrick Hernandez-Cigarruista
