Affirm public info: I agree

Regarding: ALL

Message:

I feel the redistributing attempts that are happening now are totally unnecessary and is a waste of taxpayers' time and money all to promote one party. If redistributing is truly needed then a fair and impartial committee should be redrawing the maps in a fair and equitable manner. These political games need to stop or nothing will ever get done. Quite frankly, as a taxpayer and voter I am totally disgusted with the politics in this state.
