Message:

Why are you taking TX senate district 16 and putting it in all of Wise county and half of Denton county? What you are doing is a blatant assault on democracy and the right of individuals like me to vote in a democratic way. Hey Republicans what are you afraid of? Why don't you stop the gerrymandering and let people speak their mind and elect you or not in a legal and democratic way. You honestly make me sick. You are turning our beloved country into a dictatorship . Shame on you!
