Message:

I don't know how you sleep at night. How unabashedly self serving are your actions! If you really thought you were good legislators then you wouldn't be gerrymandering the lines in the way you did. Everything that has come out from Austin this year is so disgusting that people all around the country are laughing at you and feeling sorry for us.

I plan to give my time and money to every candidate running against a Republican. Not because I wouldn't ever vote for a Republican but because you are bottom feeders and I despise your actions. Don't even think of calling yourself a good Christian. You are making a mockery of your faith
