Message:

Please stop the Republican gerrymandering that you are so notorious for doing. We are all in this together but the Republicans seem to think that we Democrats are not important. By gerrymandering our state districts you are indicating that you care nothing about anyone but yourselves. If you and your cronies are as good for Texas as you profess, being fair about redistricting would not be a problem for you. You are only widening the divide you blame on us Democrats. Be the good Christians you all profess to be and be fair for ALL Texans with your redistricting.
