**Message:**

The insistence of the republican party's continuance to dilute the voting power of the great people of Texas by gerrymandering is simply disgusting. There is no reason, other than to promote voter suppression, to promote your gerrymandering just to stay in power. Stop this nonsense and return the voting maps to what they were before you decided to redistrict to conform to promote the republican mindset/indoctrination. Stop this NOW and let the people vote
