Message:

Shame! Trying to redraw the Texas districts in such a way is illegal, unconscionable, and despicable in every way. It would be laughable how blatantly racist and anti-Democratic (and democratic) this attempt is if it weren't so horrifying how in-the-pocket Texas politicians are to the fascist-in-chief. Neither your constituents, nor history, will treat this kindly. Do the right thing and reject this attempt at turning Texas into a place that I would be ashamed to call home.
