Affirm public info: I agree

Regarding: Congressional

Message:

Please, please, please do not allow this ridiculous redistricting plan to go anywhere! Attempting to redraw the congressional map mid stream only serves one interest, that of the president, and seeks to harm a very large population of Texans. You know, the ones you're supposed to be representing.

So please remember, you are working for Texas representing Texans, NOT Donald Trump.

Respectfully,  
Alison M Sandefur
