Message:

As a lifelong Texan citizen devoted to a true representative democracy, I strongly oppose the redistricting initiative that would fragment voting districts in an illegal and overtly manipulative tactic to favor the Republican party. Please let me be clear : I would oppose such policy if it were to favor Democrats. The point is not which party is favored, but that no party is - redistricting should be non-partisan and therefore allow residents to have full confidence in the power of their ballot. You are proposing to deprive millions of Texans of equal and fair representation at the highest levels of government.
