Message:

I very strongly oppose any redistricting in and around my city, as well as anywhere in the great state of Texas that may favor the Republican Party. Every Texan regardless of where they live, deserve to have their voice heard. It is the one job of our representatives to serve us. It is our right as citizens of this republic to elect officials who reflect our ideals, share our morals, and represent our ideologies. If these representatives cannot align themselves with the needs and desires of the public which they serve, then those elected officials need to remove themselves from the occupation of public service, and NOT redraw district lines making it so the public cannot simply vote them out. We the people give them the power, not the other way around. DO NOT REDISTRICT ESPECIALLY DO NOT DO IT IN FAVOR OF THE REPUBLICAN PARTY. We are the people and demand representation and changing district will only minimize votes and sway party influence that is not actually represented in the state if Texas. Do Better and Be Better we citizens of texans do not stand for this and do not take this lightly
