Message:

Texas must stop this deliberate manipulation of electoral boundaries under the guise of redistricting. These actions compromise the integrity of democratic representation, silences communities and erodes public trust. Gerrymandering, especially when done with clear partisan intent, undermines the core principle that voters should choose their leaders, not the other way around.

We deserve a transparent, fair process that respects the diversity and voices of every Texan. Redistricting should not be wielded as a tool for political gain, but as a responsibility to uphold equal representation. It's time for accountability, not arbitrary power plays. Please reconsider this ridiculous ploy and listen to your constituents and not an overreaching tyrant.
