Message:

I find what the Republican Party is doing in Texas Government a sign of their desperation to stay in power at all costs. It is unfortunate that it has come to this. I am concerned with the deterioration of our democratic processes that seem to be of little importance to those on the right. The people are suppose to choose their representatives and not the other way around. The blatant disregard for our democracy and our constitution is something to be concerned about. This is nothing short of a Facist ideology, we should all be concerned.

Thank you.
