Message:

Hello, my name is Bailey Moyers and I live in El Paso, TX. I am opposed to the proposed redistricting as it would unfairly segregate the representation here in El Paso and would cause confusion to voters who went through this just a few years ago. We need a representative that is local in our community and understands the unique landscape of our border network. Please do not move forward with this initiative which, frankly, seems like it was just at the request of someone that doesn't even live in Texas.
