Message:

I am deeply concerned that the redistricting being considered will result in the loss of representation for Black and Hispanic voters.

Trump only seeks to enrich himself and is not concerned with what is right for the citizens of our democracy. This is just one more strategy of his to grab power.

Texas Republicans, like their colleagues in Washington, D.C. are merely rubber-stamping the demands of this autocratic, self-serving, immoral, unethical, traitor to the U.S. Republicans want to grab yet more power as an appeasement to their king and are too weak to stand up for what is fair for the citizens of this country.
