Hello

As a constituent in Fort Worth, Tx, I strongly oppose the redrawing of the congressional maps. We are not due for redrawing of the maps until 2031, after the 2030 census. The proposed maps show a direct attack in silencing people of color's voices. As well, these proposed maps do not show fair and accurate representation.

Texas Republicans need to remember that they work for the PEOPLE. All of the redistricting hearings show majority of constituents DID NOT want these redistricting to happen. So listen!
