Message:

As a proud Texan, I find it disgusting the conservative leadership used the tragedy of 136 lost souls in the July 4 floods as a backdrop to do the will of a president whose morals and vision for this nation is a complete opposite of what made this nation great.

Those of you involved should feel ashamed. Power, greed, and racism on the backs of those affected by the July 4 floods will stay with you forever.

My prayer is that one day, some of you will look in the mirror and ask yourself if demeaning your soul was worth whatever political gain you received.
