Message:

Republicans should be ashamed of themselves for focusing on winning more seats than focusing on the absolute TRAGEDY that happened earlier this month in Kerr County, where CHILDREN DIED. You are only proving to your constituents that you care more about power than you do about *actually* representing the wants and needs of the people that live in your state. This is an abhorrent, disgraceful, and cowardly thing to do. I hope you enjoy going down with your lord and savior Donald Trump, because you sure aren't following in the footsteps of Jesus Christ.
