Affirm public info: I agree

Regarding: Congressional

Message:

I completely disagree with this redistricting of texas. Gerrymandering takes away the fairness of our political system and rigs it in one parties favor. Furthermore, it only goes to imply that you folks are scared of losing ground to the other party because of poor policy in which you voted for. I find it hard to believe that you have the people's best interest in mind with this move to push more democrats out of the house of representatives.
