Message:

What an absurdly naked power grab by you spineless Republicans. So your daddy Trump says he wants more Republican seats, thus you must gerrymander more Republican seats for daddy Trump! Praise daddy Trump! Praise harder! Who's a good boy? You're such good, obedient little lap dogs!

If you Republicans had the ability to feel shame, you should. But you obviously don't; how else could you rest easy next to your mistress each night? How else could you support taking healthcare and food away from the people who need it the most to give tax cuts to the wealthiest people to ever exist in human history and call that "beautiful"? How else could you vocally support a known pedophile, rapist, and traitor? You are the saddest group of people. You are not working for the people – as you should be – you are working for a fascist pedophile rapist and whichever rich corporate elite line your pockets. Pathetic excuse for elected representatives.

Gerrymandering is not democracy. This is a bunch of cowards taking power from the people to satisfy a fascist pedophile's whims of holding onto power. Cool! You're such whiney babies. You can't win elections on our own merit, so you need to cheat to win. Your legacy will be defined by cosplaying as Christians who spent your time on your knees, sucking up to a feeble-minded fascist pedophile. Accountability will come your way sooner or later. Gerrymandering is not democracy. Release the Epstein files. Best of luck!
