Message:

All the Democrats that have broken quorum by not showing up to do the people's business during this special session need to be held accountable, arrested, and relieved of their position, post haste. Do not fail us. If we do not take a firm stand, this will be the standard for every other special session that is held in an attempt at congressional redistricting. Don't think for one minute that the Democrats would stand for a Republican group doing this. Heads would roll, figuratively speaking. Thank you.

Carolyn K. Lux
