Message:

As a resident of Katy, TX (Texas House district 132 and Texas Senate district 17). I am writing to OPPOSE mid-census cycle redistricting. There is no justification for the current redistricting initiative. The initiative to conduct mid-cycle redistricting is aimed at increasing the number of Republican districts and does not contribute to fair representation of all Texans. Texas' current Congressional delegation does not reflect the diversity of the state. Texans have a right to have the federal court weigh in on the challenges to the legality of the 2021 districts before any further redistricting can be proposed. Thank you for your consideration of my comment.
