First Name: Cathy

Last Name: Levin

Title: N/A

Organization: self

Address:

City: Hilltop Lakes

State: Texas

Zipcode:

Phone:

Affirm public info: I agree

Regarding: Congressional

Message:

This is a complete waste of taxpayer money. Redrawing districts between census cycles in completely unnecessary. It was just done after the 2020 census. It is a partisan power grab and undermines democracy. The public expects transparency and a process which is based on data not the fear of a real representation.
