Message:

My parents taught me to treat people the way you would to be treated. To remember what goes around, comes around twice as hard. Rules and laws are so EVERYONE plays fair and has an equal chance. It's a foundation as kids we carry with us into adulthood. Unless of course you were taught differently. To change the rules to give advantage to one side and not the other is just plain WRONG! This redistricting session prior to midterms is cheating. Some lovers cheat by change the rules as they go to may sure the outcome will be in their favor. I am asking you to remember the little kid that played by the rules. SAY NO to GERRYMANDERING!

MATTHEW 20:1-16
