Message:

I strongly oppose this mid-decade power grabbing redistricting scheme that the felonious president has set into motion. Seriously, where is the integrity in all of this. It is shameful to watch republicans fall all over themselves to cheat for this President who lies, grifts, insults, disparages women, POC, people with disabilities and more. It is embarrassing that so many lawmakers have abandoned any inkling of principles when it comes to doing the bidding of Trump. He is a cheater and everyone knows it. And, just like his golf game, he will cheat to win the mid terms. And you are okay with it because you are on the same team. Well, how about Team Democracy? How about doing what is right? If the Democrats were doing this, you would be up in arms. How about it? Do the right thing this time. Stand up for our democracy because we have a President who is an authoritarian. He has stated that he wants to be a dictator and by allowing this redistricting, you are allowing and enabling this to happen. No. Do not redistricting at this time.
