Message:

I oppose redistricting that undermines fair representation. Gerrymandering threatens democracy and violates every Texan's right to equal representation. Texas has a troubling history of partisan and racial gerrymandering that breaks federal law and destroys public trust in government.

I urge the Texas Legislature to reject maps that silence voters or ignore election results. This process must be transparent and fair, with final maps that truly reflect Texas's diversity. Texas belongs to all of us, not just those in power.
