Message:

Donald Trump is the worst thing to happen to America in my lifetime. His administration is equal parts cruelty and incompetence. The last thing Texas -- and America, the country I love -- need right now is a redistricting that UNFAIRLY strengthens the grip of the GOP at a time when it is too spineless and/or complicit to stop the authoritarian takeover of America. PLEASE STOP the push for an anti-democratic, mid-decade, partisan gerrymander. Do what is right. Take a stand for justice and against authoritarianism. Thank you.
