Message:

As a full blooded Texan, and the partner of a 71 yr old man that is the direct descendant of not one family but four separate families of the original 301 that came to Texas with Col. Austin we love our state and country. My partner's kinfolk gave birth to the first set of twin boys in Texas, and helped start the first Ranger Company which went on to become the Texas Rangers and one of his kinfolk received \$15 pension every month for military service for the capture of Santa Anna. So much rich history we are proud of. All of our lives we have been proud to claim the Great State of Texas our home. Greg Abbott, Tom Cruz, and all of these other so called Texans are an absolute embarrassment to this state. I detest that they are dangling from the coat tail of the biggest fraudster, thief, sexual predator and liar in American history. Trump is someone these Republicans should want out of office immediately. But they obviously have forgotten why

they are where they are at.
This is no longer Red vs.
Blue! This is Democracy vs.
Trump and his barrel of
monkeys. Stop messing with
people's lives! And fight for
the democracy you've been
ruining! We say NO to the
illegal redistricting of Texas
in order for Trump to
fraudulently gain a third
term. And we call for the
impeachment of Donald Trump
and Greg Abbott. Also anyone
in Congress supporting these
illegal acts of Trump and not
representing their
constituents, need to be held
liable as well.
Thank You
