Message:

The continued bowing down to the Rapist in Chief is despicable. Project 2025 funded by Texas Billionaire families Dunn and Wilks is despicable. Putting money over people is despicable.

What will Dunn and Wilks' do to all of you if this doesn't get passed? Do they pull funding? Do they find a primary candidate to run against you? Why are you more worried about those white supremacist losers and not your constituents?

When will any of your grow a spine and stand up for people instead of bending over backwards for people who wouldn't piss on you if you were on fire in the likes of Tim Dunn and Farris Wilks?

Your continued bending the knee to Christian white supremacists will be noted and your legacies will be that of traitors to this state and nation.

Do better.
