Message:

I oppose the sham Texas legislative redistricting. Texas should follow the normal practice of making changes upon receipt of new census numbers. Texas should not make changes in response to Trump's demands. This country is guided by laws, regulations, standard practices, norms and sometimes traditions. Please stand up for the independence of Texas and don't acquiesce to his request. It is not in the best interests of the citizens of Texas.
Thank you,
Darlene McKeever
