Message:

The mid-cycle redistricting effort Texas Republicans insist on pushing forward is unnecessary and wrong. It insults many Texas citizens and active voters, demeaning their voices in favor of Republican power. Gerrymandering needs to stop - on both sides. We have computers now that can fairly redistrict without partisan bias.

Meanwhile, STOP. You are demeaning yourselves to flatter an egomaniac in the White House who doesn't even understand the impacts of his own policies on most Americans.

JUST STOP.
