Message:
PLEASE, stop with excessive
gerrymandering! Democrats are actually
43% of the this state, and with these new
maps, will only give us 13% of power. How
can you rump republiKKKans think this is
okay? Add in all the voter suppression
laws put in place, makes texAss with the
least representation for WE THE PEOPLE.
You are supposed to REPRESENT WE THE
PEOPLE, not the felon pediophile in the
Whitehouse. This is a disgusting power
grab by the rump nazi regime. And it is
NOT OKAY.   TEXANS DESERVE BETTER!
Since there is no census, half way through
the decade, what are you basing this
nonsense on?? Nothing just the demands
of a dictator.
WE NEED INDEPENDENT COUNCIL to
make congressional lines. Let us make
voting and representation FAIR again,
please. This nonsense is just going to
make democratic governors do the same
In their states.   States THAT HAVE put in
place independent councils. TexAss is
starting a very BAD precedent.
We need independent councils in ALL 50
states. And this gerrymandering madness
brought on by mad king rump and his
white supremest regime will just bring
more chaos to the election system.
We are a republic RULED BY WE THE
PEOPLE, not billionaires, oligarchs, and
power hungry governors.
WE the people will VOTE OUT ALL nazi

republiKKKans with these maps or not,
because 67% of population DOES NOT
AGREE with these Repub policies.
Operation Lone Star is a GIANT WASTE of
taxpayer funds. WE DO NOT WANT
CONCENTRATION CAMPS in TexAss! This
state was Mexico before it was the US.
STOP Terrorizing the Latino population.
AND STEALING OUR VOICE.
PS paper trails for elections, so votes can
be recounted. And make it easier to
register NOT HARDER. ENOUGH with ALL
the voter suppression. LET WE THE
PEOPLE BE HEARD and actually be
represented. Repub leadership HAS
FAILED Texans, with the power grid,
WOMENS HEALTH, Air quality, Gun
violence, WARNING SYSTEMS, pollution,
water quality management, fair
immigration treatment, etc. that list can
go on. MAKE ELECTIONS FAIR AGAIN!
