Message:

I am against SB 4 because it is unfair and unnecessary to redraw our maps mid decade. We all know the reason the Governor and GOP in the legislature are prioritizing this action, and it's not because Texans asked you to. Ask taxpayers and your constituents, thousands of Texans have asked that you stop with this nonsense and focus on the issues that impact our lives and livelihoods. However, addressing the catastrophic flooding has been put aside to protect a bloated politician's ego at our expense. You serve Us - not the Fed.

Many bodies are still unrecovered. Many families are still trying to understand what happened. Many Texans are scared that this will happen again. Yet, y'all do nothing.

Where is your integrity? Where are your ethics? Where is your compassion and empathy for our communities that are still grieving?

Stop this sham push to redistrict our communities, and stand up to

the bully. If you can't represent Texas, then you shouldn't be in office! Thank you.
