Message:
Senator King,

Thank you so much for the opportunity to submit testimony online for this important matter of redistricting.

I am in favor of redistricting and rebalancing Texas to better represent the voters choices in the 2024 election and doing away with coalition districts. Trump and Republicans won overwhelmingly in the five congressional districts that Texas is notably reviewing and listening to voters in.

The fact that Democrat State Reps and Senators have fled the State to avoid having these hard conversations and representing Texas voters is disgusting. Also, it confirms we are headed in the right direction, and they know it.

Please vote yes for redistricting and keep Texas moving in the right direction.

For Texas,

George DeVine
Senate District 11
