Message:

Hello, I am a resident of Austin, TX. I strongly oppose any redistricting in and around my city, as well as anywhere in the state of Texas that would be redrawn to favor the Republican Party. Every Texan deserves to have their voices heard. It is the one job of our representatives to serve the people of this state. It is our right as citizens of this republic to elect officials who reflect our ideals, share our morals, and represent the health and wellbeing of all. If these representatives cannot align themselves with the needs and desires of the public which they serve, then those servants need to remove themselves from the role of public service and NOT redraw district lines so the public cannot vote them out. We the people give them they power not some gerrymandered to all hell map. Residents of this state will not stand for this, it is deeply unethical and un-American!
