Message:

I was born and raised in Texas, and I am a proud Texan that deeply loves this state. Part of loving Texas is loving Texans. Each and every Texan should have an equal voice, born here or not, loving Texas means allowing us to have free speech and an equal opportunity for all Texans to share their perspectives and vote accordingly. Your effort to redistrict our state will limit our ability to express our constitutional right to vote. You have an opportunity to protect the freedom of Texans. You promised an oath to the Constitution. A sudden effort to displace voters in our great state is an obvious disgrace to your oath to protect Texans. Do not bow to an obvious effort to disenfranchise voters and split communities. Protect our right to vote and our right to free speech.
