Message:

I am curious about what happened to states' rights. Why are we bending to the bidding of a president regarding re-districting? We re-drew the maps two years ago. What is being attempted is a blatant racist power-grab. Give your citizens time to consider this. Return to belief in our state, the great Republic of Texas. This is wrong on so many levels, and I am certain this is known. We have elected you to serve us, the citizens of Texas, not the wishes of a president. I long for the days of strong Texans, people of courage and conviction. Please, stop this escapade. Sincerely, The Reverend Janet L. Maykus
