Message:  
As a first-generation Mexican American woman and proud Texan, I stand firmly against the proposed gerrymandering targeting my state.

These rigged maps disrespect our community's voice and dilute the voting power of hardworking families like mine.

Our democracy thrives when districts are drawn fairly, not when politicians carve up neighborhoods to silence growing, diverse communities like ours.

This attempt undermines the very rights my family came here seeking. I demand fair representation for the State of Texas and will fight to ensure every Texan's vote counts equally.
