Message:

Trying to redistribute El Paso area is exactly like trump calling the Georgia Secretary of State and telling him to "just find 10,000+ votes". Another illegal, crooked attempt to thwart the WILL of the people. The Republican Party is so crippled and diseased, it can't rely on winning legally and morally and so, you resort to abandoning your principles to win illegally. You can't ignore the will of the people. You do so at your own peril.
