Affirm public info: I agree

Regarding: Congressional

Message:

It is anti-democratic to gerrymander House (or any) districts with an end goal of any Party taking control.

Please cease from doing this, as it goes against everything this country was founded upon.

Continue making good policy that will bring the voters to you, as it did for me.

Doing this will do the opposite and push the public away from you and your candidates over the long term.

Thanks,

Jeff Kapp
