Message:

I am against redistricting to manipulate the vote, and I am highly ashamed of our Texas leaders supporting this. Instead of a special session to get help to the devastated Hill Country, you're meeting because the guy in the White House told you to. When did Texas leaders become a bunch of sniveling BOOTLICKERS, pandering to the ultra wealthy for what...favor? What happened to leaders opposing federal government overreach and putting Texans first? I come from a long line of proud Texans. I'm a 7th generation Texan. Instead of passing down Texas pride to my children and grandchildren, I will teach them how our leaders sold us out because some New Yorker told them to. I'll have to tell them that California has more gumption than Texas. Do better!
