Regarding: Congressional

Message:

Greg Abbot's cooperation with Trump's agenda, breaking laws and long-standing traditions, is appalling. I was once proud to be a Texan, but no longer, due to Abbot and his cronies. This redistricting in the middle of a decade cannot stand.

Texas is already gerrymandered all to hell, with a line drawn around progressive Austin and encompassing large swaths of rural Texas. Our government is supposed to represent the will of the people. The current districts already serve to silence the voices of thousands of voters. Abbot must not add injury to insult. This is a blatantly racist power grab. It cannot stand.

Return Texas to the will of the people and protect our democracy. Stop the mid-decade, ingenuous , , marginalizing redistricting of Texas, now.
