Message:

The use of a special session to focus on an ill-advised, blatant power grab of redistricting is appalling and an embarrassment for our state. If you actually love democracy like you claim to, it's easy to see through this Trumpian plan to undermine our free and fair elections. For a party that's so worried about election interference, this is an insane move by Republicans. Absolutely direct your efforts elsewhere, and see if you could potentially improve Texans' lives rather than stealing our votes.
